Dear Parents/Carers

This is a letter to inform you of how to upload KS1 homework on db primary. KS2 homework is uploaded differently. You will be given a different letter when your child is in KS2.

Your child has been given their personal log in details which has been stuck in the yellow reading diary. Please follow the steps below.

- Login to DB Primary using your child's account information.
- You should see a large box at the top of the page titled "(Your Child's Name)'s Blog" (see image below)
- You need to click either, the little pencil in the top right corner of this blog box or "Write Entry" in the lower left corner.
- From here you can type in new work, change the subject and upload any relevant images or video files.
- Make sure to click "Save" in the top left corner once you've completed things.

We can't wait to see all the wonderful homework that you do. Have fun 😊
